Changing the Game

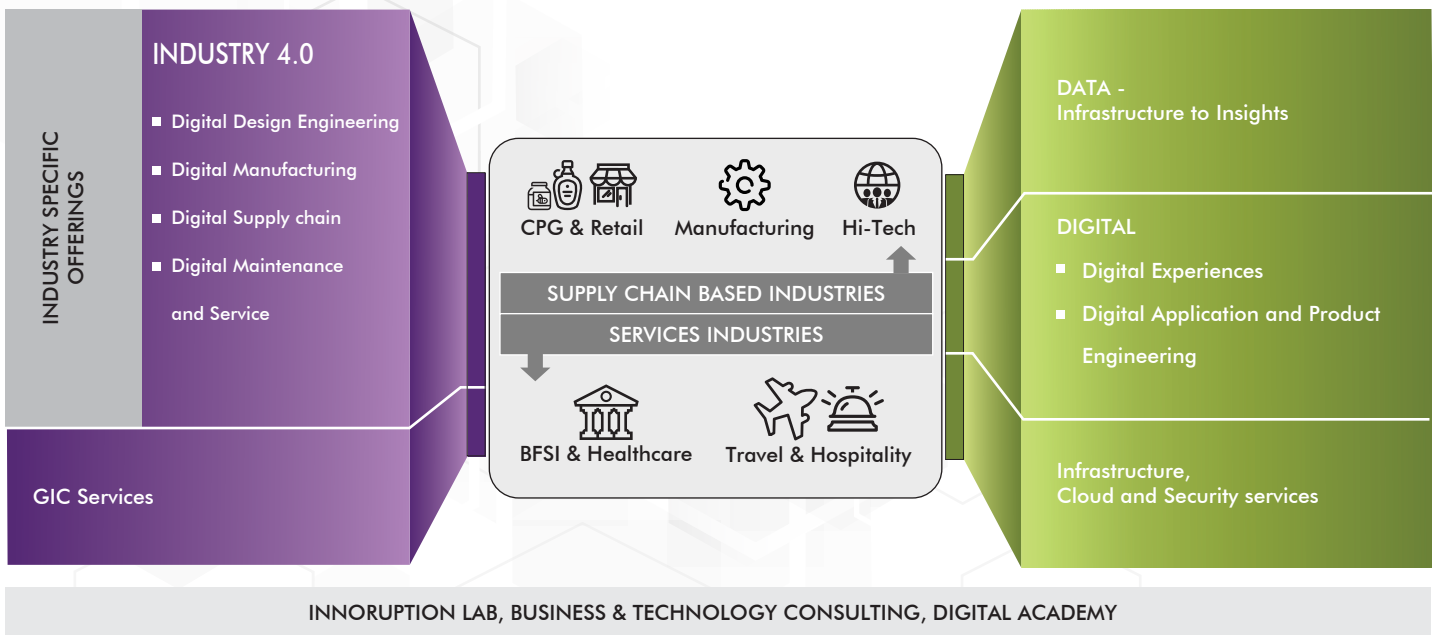

In today's age of digital disruption, ITC Infotech has tailored its strategy around the following 5D framework to serve its clients better:

Offerings – Domain Led, Consulting Enabled

ITC Infotech focusses on developing deep and differentiated capabilities to create enduring value for clients. The company has created a distinctive positioning in niche areas and continues to gain competitive advantage to strengthen its market standing further.

ITC Infotech's technology Lines of Business (LoBs) are powered by our strong business and technology consulting practices, and are supported by our Innruption Labs – which incubates disruptive innovations, and our Digital Academy.

Robust Partnerships and Alliances

Independent Software Vendors

System Integrators

People First

ITC Infotech is powered by the passion of its people, and stays focused on building an innovation-friendly people culture. At ITC Infotech, we are guided by ITC Ltd.'s commitment to 'Creating Enduring Value' for all stakeholders – including clients and employees.

The company aims to provide each employee with a promising and challenging job profile that effectively aligns individual aspirations to organizational needs. ITC Infotech offers global careers, global exposure and a diversity of opportunities to create business and technology leaders of tomorrow.

ITC Infotech is a professionally managed company, which empowers employees to take decisions and implement new ideas at the workplace. The company helps employees actualize their potential through numerous training and development programs. We recognize employee potential and award full ownership of responsibility, give every employee the opportunity to learn, thus, allowing for growth and personal development.
