

BLOCKCHAIN SOLUTIONS & SERVICES

BLOCKCHAIN

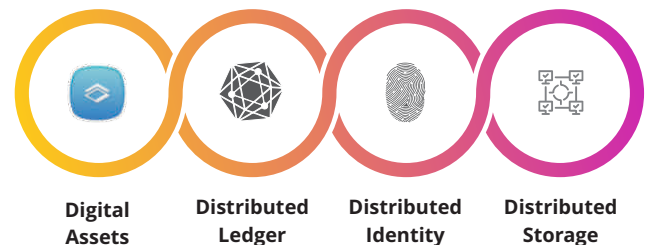

BLOCKCHAIN technology has the potential to disrupt businesses of today and tomorrow. Its decentralized transaction model challenges the current business models across various industries and inspires to innovate and create new models and opportunities.

Blockchain enables you to create a trustable ecosystem with your partners and customers using reliable and traceable data secured with cryptography.

BLOCKCHAIN @ ITC INFOTECH

At ITC Infotech we understand the tremendous potential of blockchain and other distributed technologies. We provide comprehensive end-to-end services to help you understand, adopt, implement and integrate blockchain based technology and business solutions. We specialize in creating new solutions suited for specific enterprise needs with private and permissioned blockchain networks.

OUR TECHNOLOGY EXPERTISE

Our Blockchain CoE team specializes in various blockchain platforms based on Ethereum, Quorum, Hyperledger, R3 Corda, Ripple, IOTA, Sovrin and IPFS.
