

Strategic Partner for Digital Transformation with S/4HANA

A Fortune 500 packaging company partnered with ITC Infotech to accelerate its digital transformation with S/4HANA. The engagement included a Greenfield S/4HANA implementation, migration from SAP HEC to Azure, and SAP upgrades. This initiative built a scalable, future-ready platform while enhancing the end-user experience.

16+ Plants in 12+ Countries
25% increase in digital sales

ITC Infotech is a leading global technology services and solutions provider, led by Business and Technology Consulting. ITC Infotech provides business-friendly solutions to help clients succeed and be future-ready, by seamlessly bringing together digital expertise, strong industry specific alliances and deep domain expertise. The company provides technology solutions and services to enterprises across industries through a combination of traditional and newer business models, as a long-term sustainable partner.
